

Personnel Committee Report
Blackhawk Presbytery Assembly Meeting
April 13, 2021

The Personnel Committee has been busy since the last assembly meeting. They have been revising the presbytery's Personnel Manual. It was present to the Council in March and was sent back to the committee for some added revisions. Highlights of the new manual will be noted in the June assembly report.

Loreen Stravers is now officially our Bookkeeper. Thank you very much to Karen Krum for her years of service as Bookkeeper. We truly value the work and dedication she has given to our presbytery and Stronghold.

One notable sneak peak of the new Personnel Manual is that we are now paying 100% (vs. the previous 50%) of our full-time salaried employees' medical benefits. This means that we are now fully covering Loreen Stravers medical.

Thanks to our staff: Eric, Loreen and Frank for their hard work and keeping everything running well in these continued strange times.

Respectfully Submitted,
Rev. Dr. Mike Selburg,
Personnel Committee Moderator
Pastor, The First Presbyterian Church of Morrison, IL
