Report to Blackhawk Presbytery Assembly
June 2, 2020**

TRUSTEES REPORT

Action Item:

None

For Information:

The Trustees voted to accept ownership of the church building of First Presbyterian Church of Oregon, IL. The church was dissolved in March 2020. As part of this closing process a sales contract was approved to sell the church property to New Hope Fellowship Church of God. The pandemic has made this purchase difficult for New Hope and they have terminated their interest in the property.

The Trustees further voted to appoint James L. Keely, attorney, and member of Blackhawk trustees to represent the Presbytery in all matters related to the legal transfer of this property. Keely abstained from the vote.
