

Personnel Committee Report
August 2020

Some committee members met with Nancy Dolan during her time with the Presbytery. We appreciated her leadership during our time of transition.

In August, we met with Eric Heinekamp. We discussed what his role as Transformational General Presbyter entails. He is already jumping into his position with both feet. We appreciate his insight and vision regarding the present and future of Blackhawk Presbytery.

The committee continues to look at options for Treasurer and Bookkeeper beginning in January, 2021. We are considering several options. It is likely that we will need an increase to the budget to cover the costs of these options.

No current action required.

Respectfully submitted,

Rev. Dr. Anita Stuart-Steva
